WASHINGTON, OCTOBER 6, 1880.

FOR PRESIDENT, JAMES A. GARFIELD,

of Ohio.

FOR VICE-PRESIDENT, CHESTER A. ARTHUR,

of New York,

decorate democratic printing offices. The needing supervisors and marshals. They cabalistic figures "320" are to be inscribed will get them, too, in spite of the Scattage's

THE fruitless demonstration before Dul-

eigno furnished another proof of the folly box stuffer will object. of firing black cartridges at a mob. War is now inevitable. If the democratic organ can be trusted,

A PEW more days, and then "Hark! from the tombs! a doleful sound!" will come forth from the democrats of Ohio and Indiana. The general democratic wail of de-

THE game season is now open and the turkey-buzzard democracy will be brought down by the rifle of republicanism in Indiana and Ohio on the 13th instant sure. The game is not delicious to the taste, but its power of mischief will be killed.

member from that district.

GENERAL BEN BUTLER is now aiding the republican cause very essentially in the state of New York by appearing on the democratic stump. The "beast" is becoming quite a favorite with those who called him such, while his labors only tend to stir republicans up to a fresh sense of duty and increased activity.

ocratic candidate for congress in Georgia, is urging his strong personal claims upon the people of his district by telling them that he is now living with his third wife, is the father of twenty-seven children and twenty- the claim is made with much emphasis by eight grandchildren. As a family man his WADE HAMPTON, JOE JOHNSTON and the record is certainly as good as anybody's.

"LET us have peace!" cries the southern every citizen in the south, without regard to political opinion, color or previous conto have his vote honestly counted without being overwhelmed with tissue ballots, there will be peace and fraternity throughand is successfully accomplished.

pernicious system which is fast bringing soldlers. the elective finuchise into disrepute in the | The democratic mind is not strong in eyes of the whole civilized world." This history. HAMPTON forgot in a few days would imply, if sincere, that the democrats what he said at Staunton. BELTZHOUVER have concluded to abandon " that permitions forgot what he wrote about the rebel chairsystem," which has made "a solid south" man of pensions, and it is not strange that and has disgraced civilization.

Hon, G. W. JONES of Tennessee is so disgusted with the effort to commit his state institutions, constitutions, nations and spectability, of unquestioned honor, large ing Value Offered in the enough to pay of the bonds in question, erratic a character as the statesman from ners, chivalrous institucts and kindliness of He estimates his quota at \$6,500 and says Mississippi. The the state and nation, But he falled of on their arrays for the light. The country female democrat of New Orleans shed many I both, and all the promise of his early carrier

battle will be in earnest.

easily settled in this wise: The colored man can work and delve at low compensaagricultural fairs. He can do these things them down and hang their leaders, without molestation. But when he atzen and exercise his rights as such in caucus convention and at the ballot-box, he becomes "the vagrant bondsman of upseruof these rights by the interposition of the shotgun and rifle. This is the way the Mr. D. DAVIDSON is the Agent for the re-celpt of Advertisaments and Subscriptions colored problem is settled at the south and the democrats thus settle it, and this in a free country.

The Indianapolis Scatinel is advising that United States Marshal DUDLEY be mobbed and tarred and feathered if he persists in enforcing the election laws by the appointment of supervisors. It says such would he had attempted such a thing. There are sections of Indiana, doubtless, where a demscratic mob could be raised to resist the federal law, just as there were sections which required the presence of federal troops during the war to keep down copperhead mobs and Kuights of the Golden Circle. There is very little change in such A FEW more relief flags are wanted to counties since and they are just the ones threats of violence. Marshal Dudatty is count if possible, and no one but a ballot-

ocratic party holds the monopoly. FLORIDA POLITICS.

We are pleased to notice that the republienes of Putnam county, Fla., have by a ormerly of this city, but for several years past a permanent resident of Crescent City, in that state. Captain CONARD is intimately and well known here, and univerbe truly said that he possesses the attributes of a born gentleman in the highest degree, being honorable, trustworthy and reliable in deed and word. Captain CONARD possesses all the essential requisites for a capable and faithful representative of his constituency, and the prospects are indeed, favorable to his election. If he shall be this may be relied upon that Captain Conann will devote to his con attituency and his adopted state his best energies faithfully and purely for their common interest and good,

Of all the southern states Florida has the est reputation for treating fairly persons who settle within her borders. The only drawback is the rule of the southern demeeracy, and people with money to invest FALL SKIRTS, \$1 Each and Up. do not care to place it in a state ruled entirely by these democrats, so noted for proscription and intolerance. But Florida, under permanent republican rule, would soon outstride in preportion any southern state in increase of population and wealth Appreciating this fact, it is not doubted her people will at the approaching election

We of BLACK in the way, or the man is still wonder that people go on ordering statues. alive. It takes a pretty strong imagination Wandell Phillips recently denounced every to believe that he went into the business of one of those set up in Boston as either a fear determined to have a free vote and a fuir coercing states and helped put down the ful or ridimlous caricature. Those of this city rebellion, but he is a pungent democrat and | have been ridicaled and abused in the same manner. Those of London have long been the buts of the wits of Pauch. We don't believe it possible for any living artist to produce a statue of a modern personage that would b satisfactory at once to the necessities of portraiture and artistic requirements.

THE British steamship Mississippi recently negroes to enting their masters throats, out to New Orleans under a contract to work on sugar plantations. Their passage was paid out and one year's employment guaranteed to them at stipulated wages. The Mississlppi touched at Havana as usual on her voyage to ing secession, and it is well known how he New Orleans. At that port Spanish officials persecuted McClellan for proposing to came aboard and took by force forty-four men make the war "short, sharp and decisive," from the steerage passengers on the ground and court-martialed Firz-John Porter for that they owed military duty to Spain. The pringing, red-handed and blood-thirsty, to captain of the steamer protested, and reported the facts to the British consul. This certainly seems to us a very peculiar exercise of power read BAYARD's speech where he shows how and one which will probably raiseserious questions of international law.

In time of peace prepare for war, is among and engineered to destroy the greenback maxims by the Germans. The headquarters and stamp out the heresy of the Ohio idea staff are unceasing in the pursuit of information and the acquiring of correct knowledge TON, THURMAN, VOORBEES and ALECK concerning improvement in arms of all kinds. Their annual reviews are not mere holiday performances. They are fields for careful observation and study of the details of the cience of war. They have devoted since 1866 especial attention to their artillery and infautry arms. The result is many important modifications in the character and use of these important weapons. The campaigns of 1866 gram to the greenback candidate, saying showed the superiority of the French chassethat his election "will strengthen our pot over the needle gun, whereupon the Ger-'hands," we cannot help believing that mans at once adopted an improved breechloader; now they are making a magazine gun and a rifle which will fire twenty-five rounds per minute. They have discarded the dirapnel, but have been seeking for a gun which will discharge a shell which will burst into a shower of fragments, thus reaching troops in intrenchments or protected in woody comfortable assurance that after Indiana tion recently held at Palatka nominated localities. The necessity of securing some form of vertical fire from artillery is absolutely cossary. They are providing light runs for horse artillery which can be rapidly conveyed from one paint to another for the purpose of resisting cavalry charges and to provide for a converging fire upon an infantry advance. The sally esteemed by a large circle of warm, German army is a mass of men strong in personal friends, who wish him every suc- physique and endurance, thoroughly equipped cess. He is a gentleman of fine literary and drilled, controlled by intellect from the attainments, being a fluent writer and highest field officer to the subaltern of the comforcible speaker, of excellent personal ap- pany, all moved by a common, well-defined will pearance, courteons and genial in his inter- and schooled in the most minute details of the course with all, and a man of whom it may military science. In all purely warlike as pects it is the one army in Europe which may e pronounced invincible.
